The National Lutheran Choir

National Lutheran Choir

The National Lutheran Choir has just released a new CD entitled [Eternity](#). It features some NLC favorites such as Larry Fleming's settings of "Lord of the Dance" and "Go and Tell John" as well as several new anthems in the [National Lutheran Choir series](#). It also includes old favorites such as Stainer's "God So Loved the World," Tschesnokoff's "O Lord God," and Christiansen's "Lamb of God." Give someone the gift of beautiful choral music this season, or get it for yourself and add it to your collection.

If you have not had a chance to hear this premiere choir in person, they will be performing at the National American Choral Director's Convention in Miami this coming spring.

New Choral Releases Are Here!
